If I could leave more stars, I would. Let's start with the kitty cave: exactly what I expected from photo(s) and description but better. It is so gorgeous. I have built out a wooden cat cafe wall because I do not like the unsightly look of towers and I want her stuff to look beautiful without looking cheap and typical so I ordered this because of look and material and MY CAT LOVESSSS IT. They ALSO sent a few toys because she was really sick when I ordered. She is not your typical active cat, but the toys (especially the mice) they sent are not only chic as hell (they are really Gorgeous) but she does nuts and gets super cat-like hunter mode when I pull them out. And on top of it all- UPS had issues and Felt & Yarn helped me every step of the way so calmly and professionally I think I love them. (I'm out of review room 🙄💕💕💕)

Great cave beds for my two tigers. Very sturdy and do not collapse. Great customer service and quick shipment.

Beautiful! Soft but sturdy, and shipped faster than expected given the distance and pandemic. I bought the smaller size and it fits either of my cats (~6 and 9 lbs respectively) with room to spare. My polydactyl kitty gives it four thumbs up!

My cat took to this immediately and spends most of his time in it now--he's usually not really into cat beds but LOVES this one! Bought one for my brother in-law's cat, same story. Highly recommend!

The bed is beautifully made & decorated. I bought this for my 19 yr old cat. Miss Sadie loves to sleep under a blanket on my bed. I thought this might be a better alternative. She got in her new bed on the 1st night. She slept in it for hours 🐱💤
